

Bureau of Land Management, Interior

§ 4130.7

§ 4130.6-2 Nonrenewable grazing permits and leases.

(a) Nonrenewable grazing permits or leases may be issued on an annual basis, as provided in § 4110.3-1(a), to qualified applicants when forage is temporarily available, provided this use is consistent with multiple-use objectives and does not interfere with existing livestock operations on the public lands. The authorized officer shall consult, cooperate, and coordinate with affected permittees or lessees, and the state having lands or responsibility for managing resources within the area, before issuing nonrenewable grazing permits and leases.

(b) Notwithstanding the provisions of § 4.21(a)(1) of this title, when BLM determines that it is necessary for orderly administration of the public lands, the authorized officer may make a decision that issues a nonrenewable grazing permit or lease, or that affects an application for grazing use on annual or designated ephemeral rangelands, effective immediately or on a date established in the decision.

[71 FR 39507, July 12, 2006]

§ 4130.6-3 Crossing permits.

A crossing permit may be issued by the authorized officer to any applicant showing a need to cross the public land or other land under Bureau of Land Management control, or both, with livestock for proper and lawful purposes. A temporary use authorization for trailing livestock shall contain terms and conditions for the temporary grazing use that will occur as deemed necessary by the authorized officer to achieve the objectives of this part.

[60 FR 9967, Feb. 22, 1995]

§ 4130.6-4 Special grazing permits or leases.

Special grazing permits or leases authorizing grazing use by privately owned or controlled indigenous animals may be issued at the discretion of the authorized officer. This use shall be consistent with multiple-use objectives. These permits or leases shall be issued for a term deemed appropriate

by the authorized officer not to exceed 10 years.

§ 4130.7 Ownership and identification of livestock.

(a) The permittee or lessee shall own or control and be responsible for the management of the livestock which graze the public land under a grazing permit or lease.

(b) Authorized users shall comply with the requirements of the State in which the public lands are located relating to branding of livestock, breed, grade, and number of bulls, health and sanitation.

(c) The authorized officer may require counting and/or additional special marking or tagging of the authorized livestock in order to promote the orderly administration of the public lands.

(d) Except as provided in paragraph (f) of this section, where a permittee or lessee controls but does not own the livestock which graze the public lands, the agreement that gives the permittee or lessee control of the livestock by the permittee or lessee shall be filed with the authorized officer and approval received prior to any grazing use. The document shall describe the livestock and livestock numbers, identify the owner of the livestock, contain the terms for the care and management of the livestock, specify the duration of the agreement, and shall be signed by the parties to the agreement.

(e) The brand and other identifying marks on livestock controlled, but not owned, by the permittee or lessee shall be filed with the authorized officer.

(f) Livestock owned by sons and daughters of grazing permittees and lessees may graze public lands included within the permit or lease of their parents when all the following conditions exist:

(1) The sons and daughters are participating in educational or youth programs related to animal husbandry, agribusiness or rangeland management, or are actively involved in the family ranching operation and are establishing a livestock herd with the intent

§4130.8

43 CFR Ch. II (10–1–10 Edition)

of assuming part or all of the family ranch operation.

(2) The livestock owned by the sons and daughters to be grazed on public lands do not comprise greater than 50 percent of the total number authorized to occupy public lands under their parent's permit or lease.

(3) The brands or other markings of livestock that are owned by sons and daughters are recorded on the parent's permit, lease, or grazing application.

(4) Use by livestock owned by sons and daughters, when considered in addition to use by livestock owned or controlled by the permittee or lessee, does not exceed authorized livestock use and is consistent with other terms and conditions of the permit or lease.

§4130.8 Fees.

§4130.8–1 Payment of fees.

(a) Grazing fees shall be established annually by the Secretary.

(1) Except as provided in paragraphs (a)(2) and (a)(3) of this section, the calculated fee or grazing fee shall be equal to the \$1.23 base established by the 1966 Western Livestock Grazing Survey multiplied by the result of the Forage Value Index (computed annually from data supplied by the National Agricultural Statistics Service) added to the Combined Index (Beef Cattle Price Index minus the Prices Paid Index) and divided by 100; as follows:

$$CF = \$1.23 \times \frac{FVI + BCPI - PPI}{100}$$

CF = Calculated Fee (grazing fee) is the estimated economic value of livestock grazing, defined by the Congress as fair market value (FMV) of the forage;

\$1.23=The base economic value of grazing on public rangeland established by the 1966 Western Livestock Grazing Survey;

FVI=Forage Value Index means the weighted average estimate of the annual rental charge per head per month for pasturing cattle on private rangelands in the 11 Western States (Montana, Idaho, Wyoming, Colorado, New Mexico, Arizona, Utah, Nevada, Washington, Oregon, and California) (computed by the National Agricultural Statistics Service from the June

Enumerative Survey) divided by \$3.65 and multiplied by 100;

BCPI=Beef Cattle Price Index means the weighted average annual selling price for beef cattle (excluding calves) in the 11 Western States (Montana, Idaho, Wyoming, Colorado, New Mexico, Arizona, Utah, Nevada, Washington, Oregon, and California) for November through October (computed by the National Agricultural Statistics Service divided by \$22.04 per hundred weight and multiplied by 100; and PPI=Prices Paid Index means the following selected components from the National Agricultural Statistics Service's Annual National Index of Prices Paid by Farmers for Goods and Services adjusted by the weights indicated in parentheses to reflect livestock production costs in the Western States: 1. Fuels and Energy (14.5); 2. Farm and Motor Supplies (12.0); 3. Autos and Trucks (4.5); 4. Tractors and Self-Propelled Machinery (4.5); 5. Other Machinery (12.0); 6. Building and Fencing Materials (14.5); 7. Interest (6.0); 8. Farm Wage Rates (14.0); 9. Farm Services (18.0).

(2) Any annual increase or decrease in the grazing fee for any given year shall be limited to not more than plus or minus 25 percent of the previous year's fee.

(3) The grazing fee for any year shall not be less than \$1.35 per animal unit month.

(b) Fees shall be charged for livestock grazing upon or crossing the public lands and other lands administered by the Bureau of Land Management at a specified rate per animal unit month.

(c) Except as provided in §4130.5, the full fee will be charged for each animal unit month of grazing use. For the purposes of calculating the fee, an animal unit month is defined as a month's use and occupancy of range by 1 cow, bull, steer, heifer, horse, burro, mule, 5 sheep, or 5 goats:

(1) Over the age of 6 months at the time of entering the public lands or other lands administered by BLM;

(2) Weaned regardless of age; or

(3) Becoming 12 months of age during the authorized period of use.

(d) BLM will not charge grazing fees for animals that are less than 6 months of age at the time of entering BLM-administered lands, provided that they are the progeny of animals upon which fees are paid, and they will not become 12 months of age during the authorized period of use.
